### Shopping Success...

We've had various organisations using the Salford 4 Good shop to fundraise essential items and equipment that they have needed to support their good work in the community.

This year we've had Barton Athletic focussing on their 'Buy a Brick' campaign! Barton Athletic aimed to raise £5,000 (a total of 2,500 bricks) to support the development of their new Gym in Eccles.

Barton Athletic have used the shop as a way to gather online donations, alongside their offline fundraising efforts, to really maximise their ability to reach the community.

We're thrilled to say that they have now reached their target to raise £5,000!

The new sports centre is open and the group are doing well. There is still a long way to go, as new equipment and other costs still need to be met.

Congratulations to Barton Athletic Club! If you can help support this fantastic cause, who have been helping Salfordian's to develop their athletic passions since 1953, [please visit their website today!](#)

## New Year, New You?

Happy New Year from all of us at Salford 4 Good!

Are you embarking on a New Year resolution? Aiming for a 'New Year New You'? Or are you just excited to see where 2017 takes you? Well why not look into a hosting a sponsored fundraiser in aid of local good causes?

In 2016 Salford CVS worker, Ella, challenged herself to run 4 10k races to help her New Year's resolution to get healthier and shed some pounds. Ella asked people to sponsor her runs to help her achieve her challenge whilst raising over £500 for good causes across Salford.

There are plenty of ways to support local charities and community groups. From sponsored runs and skydives to bake sales and jumble fairs. What better way to start the New Year than by helping others!

Money raised through Salford 4 Good is used to support good causes across Salford through their funding awards scheme.
